ADDRESS REPLY TO ORANGE, CONN.

March 1, 1920.

MR. BUYER,  
U.S.A.  
Dear Sir:

Permit us to present our silent salesman, MR. HUSTLER.  
He is ready to take one of those 377 orders this morning.

## MATHEMATICAL CERTAINTY.

Why do we say 377 orders? Because it is a mathematical certainty from data compiled for thirty years, as sure as your insurance actuary can tell you to a certainty how many men per 1000 of your age will die this year. We are sure to get 377 orders, we may get many more as a result of this stock-reducer sales letter.

We call attention to our **RED INK PRICES** for seeds shipment after harvest of 1920 or **SPRING** of 1921 in our enclosed wholesale pricelist dated January 1st, 1920.

It is also a mathematical certainty that we shall get orders enough for Golden Bantam Corn and Dwarf Nasturtium so that we will be entirely sold out. The **QUALITY** of everything always the best. Our fifty years experience in producing high grade seeds at your service.

## STOCK-REDUCER OFFER.

Immediate shipment for cash, F.O.B. here or New York City, insuring quick delivery.
